

CAPE CARANCAHUA WSC SPLASH NEWSLETTER

Volume 1/Issue 2

A RECENT SUCCESS

We continue to work with Co-Bank on the loan for the 120k gallon ground water tank replacement project. The interim funding will be directly paid to the vendors through Co-Bank throughout construction.

We will be publishing this newsletter once a month to keep the community informed and to give snapshots of the assessment's progress. For more detailed information please go to our website: <http://capecarancahuawaters>
